Overall analysis

22 – “I hope to participate in another project in the future.”

Portuguese students

Italian students
22 – “I hope to participate in another project in the future.”

Overall analysis

- Strongly Agree: 49%
- Agree: 48%
- Disagree: 3%

The following items present the percentage of students who answered “Strongly Agree” or “agree”:

- Meeting students/people from a different country: 97%
- Cultural and linguistic preparation as a means to help find a job in the future: 100%
- Possibility to work in another country in the future: 89%
- Knowledge about other people/country/culture: 95%
- Improvement of communication skills in English: 84%
  (here, the % is a little lower but the explanation is simple: since students also learned Portuguese and Italian, they also used these languages to communicate with each other)
- Hosting / being hosted: 100%
- Possibility to maintain contact / new friendships: 97%
- Impact of the project both on their lives and on the institution: 95%
- Acquisition / development of skills: 89%
- More knowledge of European right and duties: 95%
- Sense of belonging to the EU: 89%
- Intercultural competences: 100%
